

**BODEGAS  
WILLIAM FEVRE  
GRAN CUVÉE**

**Chardonnay  
2007**

**Maipo Valley - Chile**

It is a wine that will age very well (between 5 to 6 years). However, its qualities can already be appreciated. It has a shiny gold color, an intense, elegant and complex nose. The first notes are toasted, buttery with hints of honey and dry fruits, resulting of the aging in oak. This Chardonnay has good structure and aromatic persistence. It is an harmonious wine that will marry very well with diverse meals.
